ORDER

16 CR 328-2 (VB)

In a letter docketed on June 1, 2022 (Doc. #499),¹ counsel for defendant Jamar Shaw requests that Mr. Shaw's term of supervised release be terminated early. See 18 U.S.C. § 3583(e).

The instant request is DENIED WITHOUT PREJUDICE because it is filed in the wrong court. In March 2021, jurisdiction over this case was transferred to the U.S. District Court for the Northern District of New York. The docket number in the Northern District is 21-cr-114 (GLS). Accordingly, if defendant seeks early termination of supervised release, that application must be made to the judge presiding over his case in that district.
